

Speedo Fast Water Meet 2022

On 2 and 3 July 2022, de Dolfijn will organize the eighth edition of the Speedo Fast Water Meet. The competition has been designated as a qualifying moment for the World Championship short course 2022.

The Zwemkroniek.com-cup will be at stake. The fastest eight finalists of the 50-meter freestyle will compete in two 25-meter races to determine who is the king or queen of the shortest distance. This guarantees spectacle! Zwemkroniek.com will make € 50.00 available to the winner.

A 'sprint' program is swum in the heats (morning) and the finals (afternoon). Between these two sessions, a session is organized in which the remaining qualifying distances are swum.

Venue:

Swimmingpool: Sloterparkbad
President Allendelaan 3
1064 GW Amsterdam

The competition schedule of the Speedo Fast Water Meet can be found after 'Rules and regulations'.
